

Welcome to > team exchange < toronto JUNE 1-3, 2011

The Ontario Psychogeriatric Team Exchange is returning to Toronto in 2011. We invite you to join us on June 1-3 at the Hyatt Regency Hotel in Toronto's famous downtown theatre district. The conference is being co-hosted by geriatric mental health teams from across the Greater Toronto Area. We are certain that this will not only be an exciting networking and educational experience, but also a chance to enjoy some of the splendour of Canada's largest, most diverse city.

Gazing into the crystal ball The future of aging in Ontario

26th Annual Ontario Psychogeriatric Team Exchange
26^e rassemblement annuel d'équipes psychogériatriques de l'Ontario

For over 25 years, the number of teams across the province has grown considerably. This year's exchange gives us the opportunity to bring together some of Ontario's finest service providers, researchers and planners. The conference will build expertise, foster relevant knowledge exchange, and increase knowledge development.

This year's theme is "Gazing into the crystal ball – The future of aging in Ontario". Despite serving various areas of the province, we all face similar challenges as the senior segment of our population continues to grow. The Toronto Team Exchange Planning Committee has worked hard to put together an unprecedented group of speakers to aid in addressing the evolution of geriatric mental health service provision.

As part of our 2011 program on June 2nd, we are pleased to invite delegates to continue the proceedings "on top of Toronto" at the CN tower's famous Horizon Lounge and 360° Restaurant. This promises to be a very enjoyable evening of networking, fine dining and entertainment.

The Toronto Team Exchange Planning Committee would like to extend to you a warm welcome, and we look forward to seeing you in June.

Sincerely,

(on behalf of the
Toronto Team Exchange Planning Committee)
